

EMERGING LEADERS OF ST. FRANCIS HOUSE

“We work for Partners Health Care, located just blocks from the St. Francis House. Being Emerging Leaders together has given us the opportunity to make a difference in the neighborhood in which we spend most of our professional time.

Not only do we feel personally benefited, given our shared love of volunteerism, but we’ve had the chance to engage our workplace with monthly lunch service opportunities, and a very successful shoe drive raising \$1,500 for the St. Francis House.

We are grateful to be Emerging Leaders at an organization that makes such a difference in people’s lives.”
